Don, pursuant to your request I've given a little thought to ARARS for this site. Those that immediately come to mind are:

1. The Clean Water Act (The Federal Water Pollution Control Act), 42 U.S.C. § 1251 thru § 1387, and regulations promulgated thereunder \*.

2. The Safe Drinking Water Act (Public Health Service Act (Title XIV)), 42 U.S.C. § 300f thru § 300j-26, and regulations promulgated thereunder \*.

3. RCRA, and regulations promulgated thereunder at 40 C.F.R. Parts 260-268.

4. OSHA, and regulations promulgated thereunder.

5. National Environmental Policy Act, 42 U.S.C. § 4321 to § 4370c, and regulations promulgated thereunder at 40 C.F.R. Part 6 \*.

6. The Clean Air Act, 42 U.S.C. § 7401 thru 7671q.

7. Missouri Solid Waste Management Law, and any others that the state may identify.

I'm not really sure as to the applicability of some of these (marked with an \*), but I guess that this is a starting point. Hope this is of some assistance.
